ASSET SERVICES IMAGE UPDATE  
Enterprise Asset Services: A New Name and a New Look

MERRIAM, Kansas — (January 30, 2008) — To begin first quarter 2008, Enterprise Asset Services is taking steps to reinvent their image in the marketplace. This is a likely next step to the new ownership and new name acquired in 2007. This redevelopment continues with a new logo and the launching of a redesigned website. The website at [www.AssetServices.com](http://www.AssetServices.com) highlights the benefits companies achieve through a complete and accurate asset inventory, as well as providing interactive tools for customers to access and maintain their inventories online.

About Enterprise Asset Services, Inc.

Enterprise Asset Services, Inc.'s (EAS) main business is designing and conducting fixed asset inventories/audits for a variety of industries, such as health care, education, manufacturing, universities and government offices. EAS's project teams consist of professional inventory specialists with backgrounds ranging from facility management to accounting.
